

The Answer

Verse 1
One by one
The road is empty
Two by two it's easier
On the avenue
Where we paint
The colors of desire

Verse 2
Like the rain
Into the ocean
A million fountain coins will fall
With every toss
A wish for all
The things we live without

Chorus
It's a wishing world
But they just can't find
The answer
To the promised land
What's the answer
To the promised land

Verse 3
A restless man out on the shoreline
Boxing joys to open when
He possesses
All he's wished for—
But the wanting never ends

Chorus
It's a wishing world
But they just can't find
The answer
To the promised land
What's the answer
To the promised land

Music

Spending your time gazing
At horizons you can't see
You might miss the blossoms
Through time you can't retrieve
There're treasures around
We're blind to see
