

TV Shuffle

Verse 1
You may fight it but you watch it a lot
It satisfies you, like it or not
You plan ahead around the network time
Just a commercial away from a TV mind

Verse 2
You tune in with a random desire
Anything to kill the time for a minute or an hour
A sit-com from '63, a soap opera that you hate
And God from Glendale on Channel 38

TV Clips/Chorus
Aren't you bored
Want to watch the TV
Aren't you curious
Want to watch the TV
Aren't you lonely
Want to watch the TV
I'm kinda tired
Let's just watch TV

Verse 3
Push the buttons on your remote control
To mute the commercials with prices so low
I pay more for a haircut, it's just 9.99
But wait, there's more, it's just like the top of the line

Verse 4
Adjust your antenna and for the next hour or so
You must sit and watch—you have no control
It's just a box with assorted addictions
Docudrama, murder-news, comedy, sex, science fiction

TV Clips/Chorus
Aren't you bored
Want to watch the TV
Aren't you curious
Want to watch the TV
Aren't you lonely
Want to watch the TV
I'm kinda tired
Let's just watch the TV
